

October 12, 2012

To Our Valued Customer,

Colder Products Company manufactures quick disconnect couplings and connections made from a variety of metal, plastic, and elastomeric raw materials. The purpose of this statement is to clarify the position of Colder Products Company on compliance with the **European Regulation (EC) 1907/2006 (REACH)**.

Colder Products Company does not make a **Substance or Preparation** that needs to be pre-registered or registered. In addition there is no intended release of a substance coming out of the molded products (**Article**) we produce that would require registration. As a result, we do not currently provide any chemicals that need to be registered with REACH.

Based on a diligent review of information provided by our raw material suppliers, CPC does not manufacture products that contain Substance of Very High Concern (SVHC) which pertains to REACH compliance.

This information is provided in good faith and is believed to be accurate as of the date of this letter based on a review of current composition and information supplied by our vendors. Colder Products Company does not specifically analyze for the presence of these substances.

Colder Products wants to assure our customers that we understand the requirements under REACH and we will inform them of any known chemicals that we supply in our products or use in our manufacturing process. Colder Products Company supports the overall REACH objectives of improving the protection of human health and the environment. .

Thank you for your interest in Colder Products Company quick disconnect couplings and connections. CPC looks forward to continuing our support of your application(s). Please contact us @ 1 800-444- 2474 (North America) or 1 651-645-0091 with any further needs.

Kind Regards

Tim Jacobson
Product Manager
